

Our Youth Ministry had its Annual Retreat at the end of May. The theme was *'Livin' on the Edge.'* The participants were challenged to think about the importance of good decision making & not taking dangerous risks. We were visited by Father Antony & Deacon John for Mass, as well as Marianne Sheridan, Director of Youth Ministry for the Diocese. A great time was had by all. Many thanks to the Adults & College Young Adults who worked so hard to make it an awesome, holy retreat!
