Did you know:

- The Diocese of Rockville Centre is joined in a lawsuit against the Department of Health and Human Services to preserve conscience rights within our schools, charities and hospitals
- 140 Catholic and Christian dioceses, charities, schools and universities are represented in similar lawsuits by the Becket Fund attorneys
- Across America, all branches of government, agency administrators and other bureaucrats are creating precedent and regulations denying freedom of conscience
- Students from 1st grade through college are often denied religious freedom rights

“Today we are the witnesses. We will pray and we will speak. We will act together and ask others to join us. Ours is a cause that is great and a truth that cannot be vanquished.”
